

ER 60-5384/b

5 August 1960

Personal best
not confidential

General Alfred M. Gruenther
President
The American Red Cross
Washington, D. C.

Dear Al:

I attach a copy of the letter from Professor Long and its enclosure which I spoke to you about. We have tried to calm Professor Long with regard to his apprehension "that there must be some well-organized movement outside our country trying to influence our elections."

At least the "alliance" is consistent in its
Al's.

Faithfully,

151 a.w.d
